PRESIDENT'S MESSAGE

As New Hampshire Representative to the New England Numismatic Association, I am pleased to announce that the NENA Board of Directors voted at their January meeting to accept NENA's invitation to host the 1982 NENA Convention. Further details will be published in future Nonagons. Anyone who would like to help with this affair should contact President Jim Rolston, Greenland, N.H. 03840.

I would like to thank the many people who have helped me over the past three years I have served as NHNA President. I won't name names for fear of forgetting someone, but I must say that without your encouragement and assistance I wouldn't have lasted. Many thanks. Jim Rolston.

After Apr. 12 send dues of \$1 per year to Jim Rolston, Great Bay Dr., Greenland, N.H. Sorry for any mix-ups in past on dues.WSR. (X beside address means dues are due on our records). ARE YOUR DUES PAID???

PRESIDENT ROLSTON ADVISES MEMBERS TAKE EVERY PRECAUTION AGAINST THEFT

The increase in crime in the last ten years has been dramatic and the number of burglaries has increased at the highest rate of all. I was reminded of this last month when my local chief of police called me to help him determine the owner of a N.H. town medal collection which was sold to an area coin dealer. The dealer notified police that they thought the medals might be stolen. Through the use of the serial numbers on some of the medals the rightful owner was located.

Coins are almost impossible to identify when removed from holders, but paper money and sometimes medals have unique numbers which should be recorded and kept in a safe separate area. These numbers are invaluable in recovering any items which may be stolen.

Bank safe deposit boxes and home security systems are options that many of us have turned to in order to protect the collection that took years to build. Don't be the latest statistic. Think security! Jim Rolston.

PLEASE HELP IF POSSIBLE

One of our Senior Life Members recently lost his coin collection while in the hospital. It included several nice gold pieces and three different National Bank Notes on three different Manchester Banks, and each was different denomination: a \$5, a \$10., and a \$20. If these notes turn up please report to Manchester police.

CANDIA

Dec. 1, 1862, 5¢. Numbered (110) but not signed. Mother bird with young in basket is the vignette. Anyone know who issued these? See inside front cover. Rare.

DOVER

Sept. 27, 1862, 25¢, Eli V. Brewster (et als). Same as in Spring 1970 but signed by Brewster instead of Purington. No backstamp or other Purington stamps or Hill signature. Rare.

"THREE CENTS" in large letters with the octagon between the two words. "Will be redeemed at the office of the City Treasurer when presented/ in sums of even dollars." Lower left: "Manchester, N.H./Sept. 1, 1863". Line at right with signature "S. D. Green". Frame of thin line with heavier line outside. (Issue by city unusual).

Kidder & Chandler, no date, 2¢. "Kidder & Chandler/ will pay Two Cents/ (fancy 2 in circle and TWO CENTS in fancy oblong)/ to the bearer when presented at their counter, value received./ 263 Elm St./ Manchester, N.H." Large TWO overprinted in green. Reverse, printed in green, is shown inside front cover. Apparently Tilton was both postmaster and druggist. His Dec. 1, 1963 3¢ issue shown in Fall 1971 was more attractive obverse but lacked the fancy reverse.

PORTSMOUTH

Rufus K. Oxford, 72 State St., 2¢ and 3¢, Apr. 23, 1864. Further details not available. Also 5¢ has been seen similar to Nov. 1, 1862 50¢ shown last issue and 25¢ described there.

TROY

E. P. Kimball's Store, 50¢, 186. This note was shown in Spring 1973 issue but not listed with Civil War scrip. H. 186" with "50/CENTS" each side? "Due at E. P.
